MEMORANDUM FOR NATIONAL CAPITAL REGION MEDICAL DIRECTORATE (NCR MD) CIVILIAN EMPLOYEES

SUBJECT: 2015 Federal Employee Viewpoint Survey

I appreciate you taking the time to provide important feedback about your agency leadership, job satisfaction, and work environment by completing the recent Federal Employee Viewpoint Survey administered by the U.S. Office of Personnel Management.

Once the survey results are compiled and disseminated to the agencies in September, we will begin developing action plans to address where we excel, where improvement is needed, and to share those lessons across the National Capital Region. A detailed report on the results will be available to every employee because your participation is a vital key to making our organization a great place to work.

I look forward to making these action plans one of my top priorities this year. Thanks again for your invaluable input and dedication to NCR MD.
